NBSPlus Q25 31 315

The natural granite aggregates and granular surface finish of Mayfair flags make them ideal for both contemporary and conservation projects. They are available in five colours: Sandstone, Rose, Russet, Graphite and Silver.

Like all Tobermore flags the colour range enables the specifier to add further detail to a project by including contrasting paving products. The Mayfair flag has been well accepted in all markets and is proving to be a great success.

product specifications

Manufactured to	BS EN 1339:2003
Product type	Concrete paving flag
Installed to	BS EN 7533-4:2006

See instructions and warnings on page 146.

textured flags

Premier granular surface

Textured Flags are one of the premier products in this range. Their unique granular surface and mellow colours create a natural and timeworn appearance. Areas of textured flags can be interspersed with bands of Tegula Setts, creating a patio with unique charm and character.
